

Story of my life

The most tragic thing to ever happen to me was that I did not expect, it was the least of my concerns before Gin walked in. I was seated at the corner, on my favorite couch, sipping a cup of coffee, as you know coffee is goof for the brain.

“Martha where have you been? we have been looking for you everywhere! You got us worried.” “Am ok, what do you mean you have been looking for me, I was at the store picking up some groceries” John “The police were asking about you and some guy named ‘Rado’.

Martha puts the cup down and says “Sam am sorry but I got to go. I know you are really confused but you will understand, If I get back, Ok”. She kisses him and walks out of the door.

Sam stands in the room even more confused than before, as Martha drives out.” “What just happened!” he thought to himself.

“You got the cops involved! wtf is wrong with you? We had deal, no cops or family into this business, what is your excuse”. Redo “I’m sorry I fucked up there was a small mistake at the drop-off and Scorpio got caught so we had no choice but to give up the package and now we have the gaddemn feds up our ass.”
